Website Design

A beautiful, professional website is a great online advertisement for your business. It will 24 hours a day, 7 days a week, work for you!

After the following steps, your website will be online easily:

1. Pre-design meeting
2. Site information
3. Site architecture
4. Layout
5. Final design
6. Test
7. Register domain name and web host
8. Final approval meeting
9. "Go live" - put it online!

We create the following Websites:

- Regular Websites with CMS (WordPress, Drupal, Weebly, Wix, etc.)
- Ecommerce Websites with CMS (WordPress, Drupal, Weebly, Wix, etc.)
- Static Websites (HTML, CSS, and Javascript)

If you already have a website and need to improve it with more functionalities, we would like to help you to convert it by Drupal or WordPress CMS. Please feel free to ask a price for that.

Graphic Design

Beautiful and modern graphic design will improve your business a lot. We usually provide 2-3 versions and 2 reversions to reach what you expect.

Our graphic design services include:

- Logos
- Brochures
- Flyers & Posters
- Advertisements
- Gift Certificate Design
- Business Cards
- Post Cards
- Letterhead & Envelopes
- Folders
- Photo Editing
- Others

Website Maintenance

We manage your site so you can focus on growing your business or organization. All plans are billed monthly. Enjoy a discount if you pay annually. Our website maintenance services include:

- System Updates
- Plug-in Updates
- Weekly Site Backup
- Uptime Monitoring
- Fix breaks from updates
- Trouble shooting

We will be happy to input or update the content on your website, if you need.
